

February Reading Journal

Matthew 20:1-28:20; Acts 1:1-7:8

I'm excited that you are reading your Bible this month! This journal is designed to help you write down your thoughts, remember things you have learned, and seek answers for questions that you have along the way. You can take as many of these journals as you need to take notes and you can decide how to use the journal best for your needs. Of course, I would encourage you to underline, highlight, or take brief notes in your own Bible. There are even wide margin Bibles that are designed for your notes! If there is something that we can do with this journal to make it better fit your needs, then let us know! I know that you will come closer to God as you spend time with him this month!

Some things you might write down...

- New thoughts you had during the reading
- Something you hadn't noticed before
- A question you thought about
- Something that didn't make sense to you
- A verse that you connected with other verses in the Bible.
- Whatever else is important to YOU!
